About Hatsingimari College:

Our mission is to uplift the neglected section of women community, poverty-stricken and river eroded people living in char areas besides imbining the young generation to be innovative self reliant and responsible not only to their individual needs but also to the needs of the society at large. Our most effort will be to bring their dream into reality. Over all, to impart quality higher education for all is our mission. The vision of this college is to extend the arena of education by imbining the spirit of curiosity by cultivating knowledge beyond the limits of sky. Aims of the college is To impart Higher Education to the aspiring students. To provide higher education to the women section of the society. To facilitate higher education to the students of char, riverrine and hilly areas. To up lift the weaker section of the society through education.

About Gauhati University

Gauhati University (GU) is one of the premier institutions of higher education in Northeast India and one of the most sought-after postgraduate institutions. We have been a top-ranking institute as per the NIRF rank list and is a NAAC A+ Grade institution. In the recent NIRF 2024 rankings, we are placed at the top spot above all universities in the Northeast India. We are also the most diversified in our academics among all other institutions of higher education in the Northeast. Gauhati University has been selected for the prestigious NSS Award for the year 2019-20, which is being received by the Honourable Vice Chancellor of GU and the Programme Coordinator of NSS Cell, GU from the Honourable President of India at the Rashtrapati Bhavan, on 24th September, 2021. GU is among the two Universities selected for this award in the entire country.

About BHARGAVA Foundation for Research and Education

BHARGAVA Foundation for Research and Education is a dedicated academic and research-oriented organization committed to promoting quality research and knowledge exchange at national and international levels. The foundation provides a professional platform for researchers, academicians, educators, and students to present their work through national seminars, international conferences, workshops, and journal publications.
